UP-CLOSE CONCERTS

Dear Friends and Neighbors,

RE: Christmas House Concert

Since Christmas is one of the busiest, noisiest, most frantic times of the year for many … UP-CLOSE CONCERTS is offering an intimate, quiet evening with one of America's most beloved singer/songwriters.

Here is what others are saying about Bob Bennett:

"A poet of a songwriter, words are never wasted, notes always hand-picked and perfectly positioned. A full range acoustic guitarist, Bob flows up and down the neck with a jazzman's efficiency."
Michael Kelly Blanchard, Recording Artist

"Bob Bennett is one of the most gifted songwriters any of us know about. He is able to listen to the parable of his own life and share with us what he hears the Lord saying to him and to us all."
Michael Card, Recording Artist

"There have been possibly only a handful of truly gifted artists in the brief history of Contemporary Christian Music, but Bob Bennett has got to be, in my opinion, the most gifted of the lot. The element of integrity in his song lyrics is indescribable.
Glenn Kaiser, Rez Band/Jesus People USA

"A gifted poet and musician - Bob Bennett is a thought-provoking artist. His insight challenges me.
Amy Grant, Recording Artist

"When I hear Bob Bennett's music, I'm reminded that there are still songwriters and artists among us who wear honest hearts on their sleeves." **Phil Keaggy**, Guitarist/Recording Artist
